

Grace for the Journey

Grace is the road to salvation, and also the road to spiritual transformation!

Every Christian loves Ephesians 2:8–9, which reminds us that we are saved by grace and grace alone. There is nothing we can do to earn or merit salvation; God does this through Christ. However, Titus 2:11–14 helps us understand that this wonderful grace also leads and trains us to live godly lives:

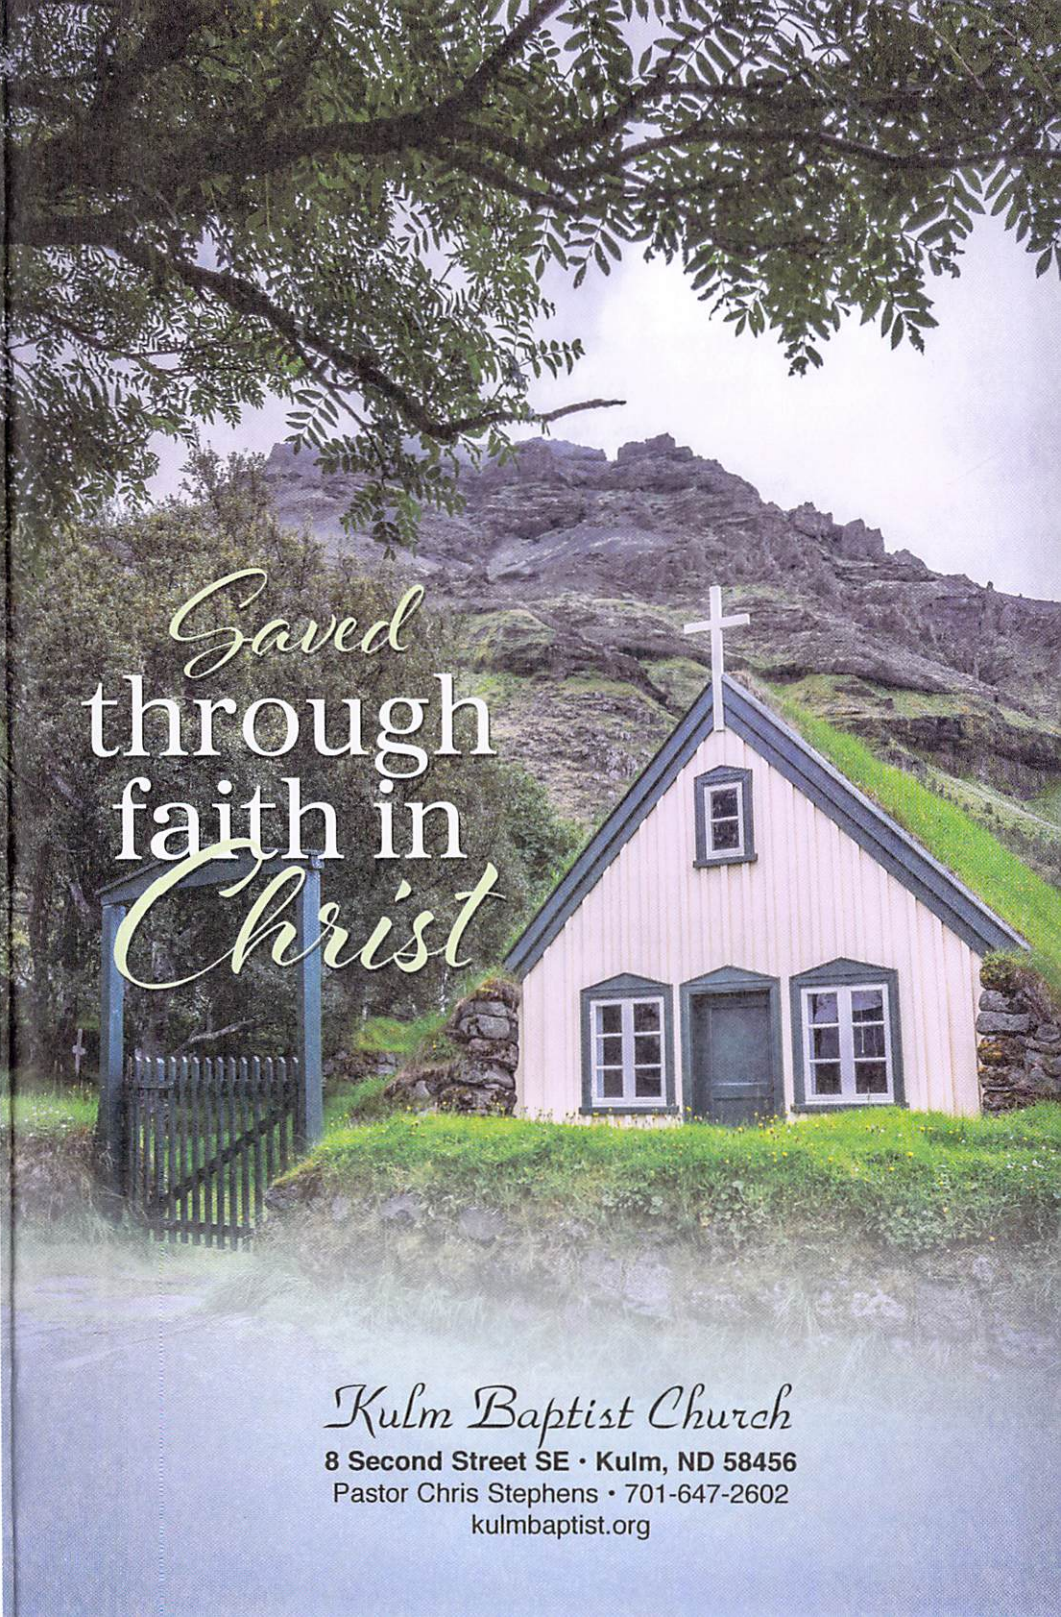

“For the grace of God that bringeth salvation hath appeared to all men, Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ; Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works.”

Grace transforms us as we pursue knowing, loving and following Christ. Remembering grace and staying anchored in it helps us avoid self-righteousness and pride. As we mature spiritually, outward sins slip away and we can easily begin to feel good about ourselves. However, this would violate the truth of grace, that it is Christ at work in us, not self-effort, that sets us apart from the world. That awareness helps us to be humble.

So today, as you walk as a follower of Christ, keep the grace of God in mind, that it is He who is at work in us, and our privilege is to know and follow Him, which leads us to love Him more. Enjoy your journey!
